

Partnership Opportunities

Being a Sales Consultant with The Cost Segregation is an Affordable, Home-Based Business that Helps Commercial Property Owners Save Money. Be apart of a professional home-based business in an industry with massive market potential! In the past, this kind of analysis was only available to Fortune 500 companies. We'll teach you everything you need to know to become a successful Cost Segregation Consultant. The market potential is still 90% in this prevailing industry so now is the time to get on board with California Cost Segregation and learn from the best. Our extensive and ongoing Cost Segregation training will give you everything you need to build a successful business. As a sales consultant representing The Cost Segregation, you can also expect:

- * Remarkable earning potential
- * Full or part-time business opportunity
- * Executive support team available 24/7
- * No specific industry experience necessary
- * Executive marketing program
- * Weekly support calls
- * Free web conferencing
- * Free conference call lines
- * Statewide opportunities

What you'll do as a Consultant for The Cost Segregation? For each of your potential clients, The Cost Segregation will develop a complimentary, no-obligation Building Component Analysis. You will present this initial report to your prospect to show them the potential tax benefits. Then, our Cost Segregation experts will help you move your client to say "yes". We'll handle all the technical analysis, reports, proposals and engineer site visits for you. Basically, we'll function as your "support team" so you can spend time developing the client relationship. You can help just about every commercial property owner realize significant tax benefits using our simple, fast-moving, efficient process. Join The Cost Segregation and join the nation's leader in Cost Segregation!
